## notes:

this is from POTR schedule. Start times are a little different from the visit status page

Tile #      Listed are the numbers on the map.  
               subtract 20 to get Tile-Tilt# (e.g. #21 = Tile-Tilt-1)

SCP=1      1 means SCP has first priority on this tile; 0 means STScI has priority  
               STScI has priority on SNe found on borders where their tiles overlap SCP tiles
